

Indicative prices for Poll cards

Hi David,

I have confirmed the following with our printers:

- Cost of printing poll cards would be £250
- Cost of posting cheaper option (downstream access – Adare post) would be £2,067.00 (based on 5,300 electors - STC).
- Cost of posting with Royal Mail is usually 44p/item = £2,332
- If you hand delivered, the cost for bulk delivery to our offices is £60.

Please can you confirm if require poll cards asap.

Thanks.
