We work closely with the Street Triage Mental Health Team at Cross Lane who carry Police radios with them, we also have support from Mental Health professionals who work in our control room. This is sadly becoming an increasing trend but we always ensure the people receive the best help available at the time and refer them to other agencies. If necessary, they are referred into the weekly meeting we have with other agencies from around the Borough where we can discuss courses of action to provide best support.

### **Other News**

Please note that in addition to the traditional 999 or 101 we can be contacted on our email address is [snafiley@northyorkshire.pnn.police.uk](mailto:snafiley@northyorkshire.pnn.police.uk). Please do not report incidents to this email, but if you would like to speak to a member of our team for advice then please use it.

If an incident of Anti-Social Behaviour occurs which you would like Police to deal with then please report this as soon as possible after the event to allow Officers the best chance to deal with the culprits. Please do not wait until next time you happen to bump into an Officer or Parish Councillor. It allows us to make connections with other incidents and deal with individuals for patterns of behaviour rather than incidents in isolation. It does not matter if no suspects have been seen or cannot be identified; we may have this reported on another nearby incident and be able to link them.

# Derwent & Hertford Rural Watch – July

The summer is here, restrictions are lifted further but we still need to take care of each other by wearing masks where we should, washing hands/using hand sanitiser and keeping a reasonable distance unless it is a family member .... But oh, isn't it great to be able to hug again? I think it is the thing I have missed the most out of all the restrictions that have been in place.

## Summer

We are probably picnicking and barbecuing but do not forget to ensure your windows and doors are closed and firmly locked, especially if you are in the back garden/patio area as you won't see if anyone slides in to do a bit of "helping themselves" to your goodies! It is never easy, especially if we get a heatwave but trust me, it's safer to #KeepThemClosed to keep yourselves safe.

Poaching for deer, hare and other game may have slowed down (I say hopefully!), but there are other forms of poaching – of fish for example. River bailiffs do a fantastic job of ensuring the part of the waterways they care for are looked after, that banks are maintained, and they also check to see if anglers have a fishing license. If you are unsure where to get one from, pop along to your local Post Office and they should have one or alternatively, visit <https://www.gov.uk/fishing-licenses> and you will be able to double check just where and when you need a license. **You can be fined £2500 if you are fishing and cannot show a valid rod fishing license** so it is worth the fee to get one!

Never get lost again
