Warning! This message was sent from outside your organisation and we were unable to verify the sender.

Good morning Julie,

I am sorry for not replying to you sooner but I am awaiting information from our current insurer regarding the items for inspection. The information I have is that these include the stair lift located in the Town Council offices, the shoring equipment used for grave digging and the coffin lifting straps which are both held at the Lawns Cemetery. As soon as I receive the formal information I will pass that on to you.

Best regards
David

Good morning David,

Further to our previous correspondence and telephone conversation, I am delighted to be able to offer a quotation for your Council, based on the information you have provided.

I would like to recommend the above policy from Aviva, for a total premium of **£2,689.88** inclusive of 12% insurance premium tax. A 3 year Long Term Undertaking would reduce the annual premium to **£2,520.97** including insurance premium tax.

This does not include provision for your Inspection Contract. Please provide details of the items covered, plus their usual location, and I will revise our quotation accordingly.

Documentation

I herewith attach our insurance quotation documents for your interest, It is vitally important to carefully read the enclosed Statement of Fact. The detail contained in this document forms the basis of your fair presentation of risk to your insurers, along with the sums insured, estimates and other values detailed in the enclosed Schedule. You must check the content of both documents and advise us if anything is fundamentally incorrect, or requires amendment. If you know of additional, relevant, detail which you feel should be declared to your insurer, in order that they fully understand risks associated with your organisation, please do not hesitate to inform us. Please note that any discrepancy or inaccurate detail could affect the acceptability of your risk to underwriters and, ultimately, could be detrimental to the success of any future claim.

Please note below our standard mandatory covers and their limits of indemnity. We feel that they are adequate for a Council of your size. If, however, you require increased limits please let us know and we can look to source the additional cover for you.
