

Southdene Bowls Club Report – Cllr J Casey

"I attended my second meeting of Southdene Bowls Club on 7th July.

The Club are in good standing and appear to be financially secure.

Their many and varied teams are all doing very well in the various league and Cup competitions.

In two of their leagues, they are top and favourites to win them and they are also in two Cup semi-finals. One of which they haven't had to play a game in yet! Thank goodness for byes.

I updated them on the Filey Town Council grant scheme and advised them of how to apply at any time if an emergency arose.

The club thank FTC for all the assistance that has been offered over the years and look forward to an ongoing partnership."

Thanks

John
